- General impression of the student (character, intellectual power, extra-curricular interests)

I am delighted to provide this letter of support for Michael Johannes Meier. I know him very well from several of my master courses about advanced topics in accounting and auditing.

Michael Johannes Meier is one the top 10 % most talented students at the University of Würzburg, e.g. the hitherto existing exam results are very good. I remember very well his active participation in my lectures, when he demonstrated his enthusiasm for accounting and auditing with thought-provoking questions. Michael Johannes Meier is an outstanding student in our M.Sc. Business Management study programme and I truly believe in his academic success.

Michael Johannes Meier is a reliable, conscientious and goal-oriented student. He is able to adapt to different cultures and I am confident that he is a perfect candidate for a stay abroad at a renowned university.
